

# Heart of a Child Ministries

Celebration of Life Day at St. Wenceslaus

SUNDAY, OCTOBER 8TH ~ AFTER EACH MASS

CAIN HALL

**Nikki Schaefer**, MSW, director of Heart of a Child Ministries™ will start the event off with songs, Scripture, and "fun fetal facts."

**Melissa Bailey**, RDMS, RVT, ultrasound sonographer will show a real pre-born person on the big screen through an ultrasound on a pregnant volunteer. All ages will delight in hearing the heart beat, seeing the baby suck its thumb, and more!

**Jeremy and Kathleen Bowers** will share their beautiful story of being encouraged to abort their baby boy who had Trisomy 18, but instead chose life. Hear their amazing story that defied all odds and witness the gift that their son Dominic has been to both their family and to so many.

**Sonja and Brennan Dreher** are the dynamic mother/son duo who share their adoption story together – from his perspective, as the child who was adopted, to her perspective, as the loving adoptive mom. The beauty of adoption and the choice of life and God's love for all life is evident in their powerful testimony.

## After 8 AM and 10 AM Masses

- 25 minute family-friendly live ultrasound presentation
- Donuts and coffee provided

## After Noon Mass

- Lunch and Speakers
  - Jeremy and Kathleen Bowers
  - Sonja and Brennan Dreher
